

Exercise 2.

The correct order of the conversation sections is: B, A, C, D

Exercise 4.

1. (False). Because the other smartphones include all of the latest features, whereas the budget smartphones have only got some basic functionality which is the same as the expensive smartphones.
2. (False). Because budget smartphones only have the same basic functionality as the expensive (top-of-range) smartphones.
3. (False). Because the top-of-the-range smartphones have the Timewise Mercury therefore they are better suited for downloading films.
4. (True). Because the resolution is lower on budget smartphones and the lens and sensors are lower quality.
5. (False). Because the battery lasts for less than eight hours in budget phones while it lasts more than ten in top-of-the-range smartphones.
